

ADDED ANIMAL PERILS

(The information required below may be shown on the "declarations".)

Coverage under this endorsement: applies to sheep
 does not apply to sheep

Type of Livestock:

The coverage that applies to "livestock" described above is extended by the following:

"We" pay for loss resulting from the death of "livestock" described above caused by:

1. accidental shooting except by an "insured", members of an "insured's" family, employees of an "insured", or persons residing on the "insured premises";
2. drowning, excluding "livestock" less than 30 days of age;
3. attack by dogs or wild animals except by a dog or wild animal owned by an "insured", members of an "insured's" family, employees of an "insured", or persons residing on the "insured premises"; and
4. collapse of a building.

All other "terms" of the policy apply.
