## EARTHQUAKE INSURANCE NOTICE

The standard insurance policy does not provide coverage for earthquake damage. Earthquake coverage under your policy is excluded unless one or more of the following endorsements is shown under “Policy Forms and Endorsements” on the declarations page of your policy. This means there is no coverage for damage caused by an earthquake unless your policy contains one of the following endorsements:

<b>Form or Endorsement Number</b>	<b>Form or Endorsement Title</b>
ML – 54	Earthquake Coverage
FL – 12	Earthquake
FO – 54	Earthquake
LM – 99	MasterGuard
LM – 199	Farm MasterGuard
LM – 299	MasterGuard Classic
BU 0380	Earthquake Coverage
MCP 119	Earthquake Coverage
CF 10 41	Earthquake Extension Endorsement

The following form, if shown under “Policy Forms and Endorsements” of your declarations page, provides *limited* Earthquake coverage:

LM – 554	Limited Earthquake Coverage
----------	-----------------------------

If you are interested in amending your policy to include or broaden earthquake coverage, please contact your local agency servicing this policy.

No coverage is provided by this notice, nor does it replace or alter any provision of your policy. If there are any discrepancies between the policy and this notice, the provisions of the policy govern.
